ABOUT

Currently searching for full-time positions.
Since 2017, lived and studied in Germany for around four and a half years, finishing a Bachelor's in Management and Economics at Johannes Gutenberg University Mainz. Received a Master's in Economics at NYU in May 2024.
Speaks five languages — Chinese is mother tongue, and studied Japanese since middle school out of pure interest.
Still on the way to find the right work path, excited to meet people from diverse backgrounds with full respect.
